

PRO MOVEMENT BASKETBALL REVIEW:

Pro Movement Basketball (Jarrett Christian) has been an absolute blessing to our family. Mr. Christian took initiative and had the connections within the college arena to get my daughter in front of colleges that best fit her as a person (not just a basketball player). Mr. Christian's follow-up with the coaches and with our family was timely and consistent. The recruiting process for us consisted of a lot of highs and lows. During the low times of being told "we are going in another direction" Mr. Christian did a superb job of staying positive and knowing exactly what to say to lift us back up which allowed us to pick ourselves up and assisted us with never giving up. One of the inspirational conversations that I had with Mr. Christian during a very low time went like this Mr. Christian said "every coach that said no...I wrote it down. Denial and rejection fueled me like nothing else. Aneysa is going to find the perfect school and flourish. I believe every player I help is a rose that grew from concrete. **We don't lose. We go conquer.** I don't say this stuff because it sounds good. I say it because I mean it."

The profile that Pro Movement developed for Aneysa highlighted her well. It was professional and pinpointed her accolades concisely where college coaches could read over it quickly to get a good feel for the type of play that she is.

As we prepared to speak with coaches and visits schools to do workouts with the teams Mr. Christian prepared us by giving suggestions on what to say, questions to ask, and how to follow up after leaving the college. He always made himself available and he is easily accessible via email and text.

On 4/20/15 my daughter signed with Southern Wesleyan University (SWU) and Mr. Christian was present at her signing party to share this awesome accomplishment with my daughter and our family. We truly appreciate everything that Pro Movement has done for our family and we look forward to providing updates as Aneysa starts the next chapter of her life.

Sincerely

Danica Porter (aka Proud and Thankful Mom)
