

PRO MOVEMENT BASKETBALL REVIEW:

Jarrett, I want to thank you for taking the time to provide your expertise and assistance with the recruitment of our daughter, Kierra Ward. Coming into this agreement I wasn't exactly sure of what to expect. Your courtesy and knowledge eased my mind at the beginning of our first conversation.

Your diligence and insight assured us of the direction and approach to take with Kierra. It was so exciting to receive text messages and emails regarding her recruitment. Your system works! Kierra gained confidence and an appreciation for hard working while getting personally involved with D2, D3, and NAIA coaches. Although she has elected to attend a D1 school, Georgia State University, she has gained valuable information and poised herself for success.

Kierra is excited about attending Georgia State and majoring in Athletic Training. Pursuing a walk-on tryout is just the beginning for her and she's determined to succeed. You didn't give up on Kierra, even when she was not interested in the many schools you were able to secure a good look for her.

Thanks again for your encouragement, hard work and passion to keep us motivated and pressing forward. The biography, advice, diligence and patience are a great combination. You are a very unique and poised professional.

We wish you all the best and would love to keep in touch regarding Kierra's progress and your future endeavors.

Sincerely,

Denise H. Ward May 12, 2015
