

## **PRO MOVEMENT BASKETBALL REVIEW:**

I would like to thank Pro Movement Basketball and Jarrett Christian for assisting me in obtaining an offer to play on Chattahoochee Tech basketball team. This has been a very stressful year and Jarrett helped me to get my confidence back as a player by just believing in me. I am so thankful to him for helping me so quickly. Within a couple of days of making contact with Jarrett Christian, college basketball coaches were contacting me. I know that a lot is going to be required of me and I accept the offer that has been given me.

Thank you Pro Movement Basketball for assisting me in the next step in my college basketball career.
