

PRO MOVEMENT BASKETBALL REVIEW:

Mr. Jarrett Christian,

I want to express my deepest gratitude to you and Pro Movement Basketball, Inc. for the countless recommendations you made on my daughter, Diamond Porter's, behalf. You went the extra mile to assist her, and she has gained a significant advantage because of you. I know that your recommendations played a significant role in helping her receive a full scholarship to the University of Mobile.

I personally want to thank you and Pro Movement for the many calls and texts you took from Diamond and me. You were patient and explained each and every question. You took the time to clear up all concerns we were having when we felt we had come to a dead end. Words cannot express how grateful I am to you for your determined efforts to uncover opportunities for her.

Without your timeless commitment, I feel that Diamond's dream to play college basketball would not have come to fruition. You are a pillar for the underexposed group of basketball players. Please know that you are highly respected by the Porter family.

Whatever we can do to help you and Pro Movement Basketball, Inc., we are just a text or call away. Once again we say thank you for a job well done!
